New Mexico Technology Assistance Program (NMTAP) is a program under the Governor's Commission on Disability. Loans of any devices serve as a trial of equipment prior to purchasing, a temporary replacement of a device in repair, or a short term accommodation allowing independent completion of activities in daily school, work and/or home life. Devices are loaned to anyone with any disability statewide and it is important that the person is working with a professional or qualified person to assist in use of any loaned equipment.

Loans of equipment from the Device Loan Program are made on a first come, first served basis for a period of 30 days. Software is loaned on a device due to respect for proprietary licenses. Borrowed items must be returned at the end of the loan period, unless prior arrangements have been made to extend the loan for a longer period.

NMTAP ensures that all loaned devices are fully functional at the time of the loan and that all related peripherals are enclosed. We provide requested equipment, if available, to the school, agency, or client within 5-10 business days of receipt of the completed application/loan agreement. If a device is not immediately available, the individual(s) will be placed on a waiting list for the next available device. We maintain an inventory of devices to meet a wide array of needs. We will be responsive to questions, concerns and needs that are related to the program and assistive technology statewide.

Borrower assumes full responsibility of the equipment loaned. The **Borrower** may be a professional (i.e.: therapist, counselor, teacher, service provider, or qualified AT specialist) assisting the **User** (person with a disability) *OR* the **Borrower** may also be the **User** (the person with a disability). If a professional is requesting a device loan for more than one User, please complete an Evaluation sheet for each individual User. Both Borrower and User will abide by these rules and obligations.

1. Borrowers must confirm upon receipt that all items loaned are included as listed on paperwork. A copy of the signed agreement and application is included when equipment is picked up or shipped and shall be kept with the Borrower until all items are returned. The original documents are kept at NMTAP.
2. Borrowers must care for the equipment appropriately, keep it safe at all times and use it in non-smoking environments only. No eating / drinking on or around the equipment as applicable.
3. Borrowers must contact the Device Loan Program at 505-841-4464 if any of the following occur:
 - a. Components listed on the enclosed loan agreement are missing upon receipt
 - b. Device is stolen *** Local police must be contacted, a police report filed and a copy sent to NMTAP.*
 - c. An equipment breakage or malfunction occurs during the loan.

4. Borrowers must complete an evaluation form when returning the equipment. If the form originally provided with equipment is misplaced, obtain one from the NMTAP website.
5. Borrowers are responsible for returning all devices and peripheral items loaned, along with a completed Evaluation sheet found in the loan agreement copy that lists items borrowed. Drop off equipment at any NMTAP location or return in the FedEx box it was received in, using the provided pre-paid ground-shipping return label provided. Please contact us for any questions.
6. Borrowers may be held responsible for loss of equipment or damage to the loaned equipment due to misuse, abuse, or neglect while the equipment is on loan and in the Borrower's possession.
7. It is illegal to copy or distribute any software on loaned device through the device loan program.
8. **Failure to comply with the above listed responsibilities may result in loss of future access to the Device Loan Program, in addition to applicable financial liability.**

We require an evaluation of the equipment loaned so that we can better serve persons with any disability statewide. **Please follow the directions below to access the Device Loan Program:**

NMTAP MUST BE PROVIDED all of these via mailing address, email or fax as noted below:
