**[www.nnosers.org](http://www.nnosers.org)**

**Call 928-871-6338 for more info.**

The Purpose of the Conference is to provide Persons with disability, their family members, service providers and other interested parties with:

- Updates of legal rights of people with disabilities at federal, state and Navajo Nation level
- The disability initiatives of the NNACOD to ensure non-discrimination
- Educational presentations and workshops
- Information tables by federal, state, and tribal disability organizations providing pamphlets & brochures related to disability information & resources
