

LIST OF GOOGLE CHROME EXTENSIONS

Extensions are tools used to enhance the functionality of the browser and have no interface. Once downloaded, these are in the top right-hand corner of the Google Chrome Browser and can be pinned to the browser for easy access. All these extensions can be downloaded through the [Google Web Store](#).

Prices listed with a plus sign (+) mean in app purchases are available

Prices listed with an asterisk (*) means subscriptions are available but not required to use
